

## It's Too Late

The Supremes

Stayed in bed all morning just to pass the time  
There's something wrong here, there can be no denying  
One of us is changing  
Or maybe we just stopped trying  
(Just stopped trying)

And it's too late, baby, now it's too late  
Though we really did try to make it  
Something inside has died  
And I can't hide and I just can't fake it  
Oh no, oh (no, no, no)

It used to be so easy living here with you  
You were light and breezy and I knew just what to do  
Now you look so unhappy and I feel like a fool  
(Like a fool)

And it's too late, baby, now it's too late  
Though we really did try to make it  
Something inside has died  
And I can't hide and I just can't fake it  
Oh no, oh oh  
Oh oh, ohhh, hey baby  
(ba ba ba ba, ba ba ba ba)  
(oh no, it's too late)

There'll be good times again for me and you  
But we just can't stay together, don't you feel that it's true  
Still I'm glad for what we had and how I once loved you  
(I once loved you)

But it's too late, baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide  
And I just can't fake it  
Oh, oh no, oh oh baby  
(ba ba ba ba, ba ba ba ba)

Oh, it's too late (it's too late, hey, it's too late)  
It's too late (it's too late, hey)  
Honey, it's too late (it's too late, hey)  
Darling, it's too late (it's too late, hey)  
Oh yeah, it's too late (it's too late, hey)  
Baby, it's too late (it's too late, hey)
