

## Let Me Go The Right Way

The Supremes

I'm your's  
Don't you know that I done fell for you  
I wanna know, baby  
Tell me what cha gonna do  
You took my love  
All my love

Don't lead me astray  
Let me go the right way

My heart, baby  
Is all weak for you  
So please  
Be carefull and treat me true  
'Cause you're my life  
I wanna be a wife

Don't lead me astray  
Let me go the right way

Let me go the right way  
Where you lead me  
Where you lead me  
I'll follow you  
What you tell me  
What you tell me  
That's what I'll do

'Cause baby I'm your's  
Don't you know that I done fell for you  
I wanna know, baby  
What cha gonna do  
You took my love  
All my love

Don't lead me astray  
Let me go the right way  
Don't you lead me astray
