

# Let Yourself Go

The Supremes

Can you feel, can you feel, can you feel  
Can you feel the heat  
Don't it make, don't it make  
Don't it make you wanna move your feet (oo-weee)  
Feel what I'm feeling  
Feel what I'm feeling (owwww-ooohhh!)

A time to worry  
A time for sleep  
A time to laugh  
A time to weep  
But right now it's party time  
Get on down relax your mind  
Don't let the wheel fall off your wagon  
And catch you with your whole life dragging

Let yourself go  
Hey, feel what I'm feeling  
I'm feeling good I'm feeling loose  
Ooooh, kick off your shoes and stay awhile  
Just hang loose  
I like your style

A time to go  
A time to stay  
A time to work  
And a time to play  
Don't be no fool and blow your stack  
'Cause once you leave  
You ain't coming back  
Join right in with the finger popping  
Party hearty til the whole joint's rocking

Let yourself go, hey-ey!  
Feel what I'm feeling  
Float like a feather  
Get it together, Ooh!  
When you hear the drummer  
That funky beat  
When you hear the rhythm  
Loud and sweet  
And you let yourself go

Whoop! Let yourself go  
Oh, feel what I'm feeling, yeah  
Let yourself go  
Feel what I'm feeling  
I'm feeling good I'm feeling loose, Uh-huh-uh!  
Take off your shoes and stay awhile  
Just hang loose I like your style  
Let yourself go, Uh-huh, Uh-huh...Oh, oh yeah!  
Feel what I'm feeling (Oh, oh, ohhhhhhh!)

Can you feel, can you feel, can you feel  
Can you feel the heat  
Don't it make, don't it make  
Don't it make you wanna move your feet, Ow!

Can you feel, can you feel, can you feel  
Can you feel the heat, Whooh!  
Don't it make, don't it make  
Don't it make you wanna move your feet, Whooh!  
Na na na na na na na na na  
Ooh, ooh!  
Feel what I'm feeling  
Na na na na na na na na na  
Feel what I'm feeling (Ah, hahhhhh, ah!)

Can you feel the heat, oh yeah  
Don't it make, don't it make  
Don't it make you wanna move your feet, oh, oh!
