

# Love Is In Our Hearts

The Supremes

We're happy holding hands  
Ooo, to us love's been grand  
Walking down the path of love  
While heaven smiles from up above  
Cause love is in our hearts.

We stroll through the park  
A kiss stolen in the dark  
I'm the girl that feels supreme  
For he might do most anything  
Cause love is in our hearts.

When he looks into my eyes  
I feel so good inside  
And when he reaches out for me  
It's the fourth of July  
I'm so happy I could cry.

The moon's not up tonight  
Our love lights up the sky  
If shadows dark our day  
We'll use our love to light our way  
Cause love is in our hearts.

Oh, the birds in the trees  
Sing lovely melodies  
Sing about the love that's strong  
A love affair that can't go wrong  
Cause love is in our hearts.

Soft music fills the air  
We haven't got a care  
Our life's filled with joy  
Happy is this girl and boy, oh  
Cause love is in our hearts.

Love is in our hearts  
Sweet love is in our hearts  
Sweet love, sweet, sweet,  
Sweet love is in our hearts  
Love is in our hearts, oh  
Love is in our hearts  
Sweet love is in our hearts.
