

# May His Love Shine Forever

The Supremes

Faithfully reaching out for dreams  
Just like Him  
Reaching through the darkness  
Glorious is a day breaking in  
Just like Him  
Breaking through the darkness

Ever since He touched my heart and soul  
I can see the beauty that life beholds

(May His love shine forever)  
Yeah, let it shine forever  
(May His love shine forever)  
Ooh, ooh, ooh let it shine forever  
(May His love) yeah-eah  
(Let it shine forevermore) let it shine  
(May His love) oh yeah  
(Let it shine forevermore)

I was lost on life's bumpy road  
Till you restored something so inspiring  
Trouble world sweet love has drowned  
Then came resound of your Heaven inspiring

When I felt the magic of His grace  
I can see beyond life's filled emptiness

(May His love shine forever)  
Let it shine, let it shine forever  
(May His love shine forever)  
Oh, oh, let it shine  
(May His love) forever  
(Let it shine forevermore) let it shine  
(May His love) ooh, ooh  
(Let it shine forevermore)

(He's a miracle) He's a miracle  
(Oh yes, He is, he's so wonderful) He's so wonderful  
(And He loves me so) let it shine forever  
(Let it shine forever) yeah-eah  
(He's my comforter) sweet encourager  
(Oh yes, He is, sweet encourager) let it shine  
(Let His love endure)  
(Let it shine forever)

Ever since He touched my heart and soul  
I can see the beauty that life beholds, oh, oh, oh

(May His love shine forever)  
Let His love shine forever  
(May His love shine forever)  
Oh yeah, and let it shine  
(May His love) hey, yeah, yeah  
(Let it shine forevermore) don't you want it  
(May His love) his love to shine  
(Let it shine forevermore) let it shine  
(May His love) forevermore

(Let it shine forevermore) let it shine, let it shine  
(May His Love)  
(Let it shine forevermore) ooh, ooh...
