

# Now The Bitter, Now The Sweet

The Supremes

Now the bitter, now the sweet, halfway down life's busy street  
Neither quickening the grueling pace, neither leading in the race

Oh yeah  
In the race (Say it again)  
In the race (In the race)  
In the race (Yeah, yeah, yeah, yeah, yeah)

Now the bitter, now the sweet, halfway down life's busy street  
Hand in hand they always go, That is something all should know

(Oh, yeah)  
All should know  
(Whoo-oo-oooh, yeah)  
All should know

Never pleasure without pain  
Never loss apart from gain  
Never joy, ooh no, apart from strife  
(Don't you know that)  
Each of these has its place in life

Place in life (Say it again now)  
Place in life, place in life

Bitter, sweet  
Bitter, sweet

As the storms of life must rage  
Would these only turn the page  
Now the day and now the night  
Now the wrong and now the right

The day and night, the wrong and right

Now the bitter, now the sweet  
Halfway down life's busy street  
Equal standing in the life of man  
Better do as best you can

Amen (Amen) Amen (Say Amen)  
Amen (Amen) Amen (Amen)  
Amen (Oh yeah) Amen

Now the bitter, now the sweet  
Now the sweet (Now the sweet) now the sweet

Bitter, sweet  
Bitter, sweet,  
Bitter, sweet  
Bittersweet
