

Oh Be My Love

The Supremes

Love's a puzzle
I say, love's a puzzle
Sometimes confusing as can be
But we'll work it out
I know you'll discover
The beauty of love's mystery

Oh be my love, come let the work begin
Oh be my love, love's puzzle we can blend
Oh be my love, we'll fit the pieces in
I know we'll fit the pieces in
I know

Jagged edges such as heartbreak
Can drive you slowly out of your mind
It don't seem to fit
Go, honey, don't you quit
There's just harder love designs

Oh be my love, come let the work begin
Oh be my love, love's puzzle we can blend
Oh be my love, we'll fit the pieces in
I know, I know

Ah-ah-ah-ah-ahhh
Ah-ah-ah-ah-ahhh

Oh be my love, come let the work begin
Oh be my love, love's puzzle we can blend, come on
Oh be my love, we'll fit the pieces in
I know, you'll fit the pieces in

Oh be my love (be my love, yeah)
Come let the work begin
Oh be my love, love's puzzle we can blend, yea
Oh be my love, we'll fit the pieces in
I know
