

# Oh My Poor Baby

The Supremes

Poor baby, poor baby, ooo  
Poor baby, poor baby, ooo

You must been in jail or lying in a big truck  
You wouldn't hurt me or mess me up  
Said you'd be here two weeks ago  
Don't mind for lateness,  
But admit it gets a little bit slow

Oh, my poor baby  
Oh, my poor baby  
Where is my baby?  
Oh, my poor baby

Just called up your family  
They won't know  
They're worried just like me  
Somebody said they stopped someone like you  
Checking in the motel with a pretty girl, too

Oh, my poor baby  
Oh, my poor baby  
Someone help my baby  
Oh, my poor baby

Ooh! Mm-hmm  
Is he alright?  
Poor baby (poor baby)  
Gotta find that man (gotta find that man)

Oo-oooh, I just called up your family undertaker  
You're too good for me  
You must have been called by our baker  
But I was wrong  
I know you're still alive (Whoo!)  
You must been lying in the ditch on Highway 95, hey!

Oh, my poor baby  
Oh, my poor baby  
Got to find my baby  
Oh, my poor baby (Ohhhhhhhh-owww!)

Where can I find my baby (alright)  
Hey, ooh, gotta find that man (gotta find that man)  
Yeah, gotta get that man  
(Gotta find him, gotta find that man)  
Ooh, where is that man?  
(Gotta find him. Where is that man?)  
Yeah, come on back home  
(gotta find him, gotta get that man)  
Ooh, where can I find that man?
