

# Only Sixteen

The Supremes

He was only sixteen  
Only sixteen  
I loved him so  
But he was too young to fall in love  
And I was too young to know

We'd laughed at sixteen  
And do little things  
That makes my heart glow  
But he was too young to fall in love  
And I was too young to know

Now, why did I give my heart so fast  
It will never happen again  
But I was a mere girl of sixteen  
I've aged a year since then

He was only sixteen  
Only sixteen  
With eyes that would glow  
But he was too young to fall in love  
And I was too young to know

Why did he give your heart so fast  
It never will happen again  
But you was a mere girl of sixteen  
I've aged a year since then

He was only sixteen  
Only sixteen  
I loved him so  
But he was too young to fall in love  
And I was too young to know

He was only sixteen  
Only sixteen  
I loved him so  
But he was too young to fall in love  
And I was too young to know

Only sixteen  
Only sixteen  
I loved him so...
