

Sweet Dream Machine

The Supremes

You're into me, ooh-ooh, I'm into you
The whole day long, the whole night through
Sweet dream machine
So soft and warm, your touch

Sweet dream machine, sweet dream machine
Oh, sweet dream machine
A part of me so much
Sweet dream machine, sweet dream machine
Whoo!

Ooh, so much power (I can't deny it)
So much motion (I couldn't live without it)
You're always there, baby, when I get the notion
Mmm, sweet dream machine
You comfort me so nice
Sweet dream machine, sweet dream machine

Oh-oh, sweet dream machine
A part of me and my life
Sweet dream machine, sweet dream machine

Ohhhhhhhhhhhh, oh, oh, oh
Here I go (here I go)
Closing my eyes (closing my eyes)
Calling on you, and needing you, too
And there you are, (there you are)
Oh-oh, a part of me (part of me)
Ohh, there you are (there you are)
More than a memory
A precious part of me
Ooh!

Take me
Take me
Take me
You take me high (you take me high)
You take me low (take me low, baby)

But you're always take me, yeah, where I wanna go
(where I wanna go, where I wanna go)

Sweet dream machine
So soft and warm, your touch

Sweet dream machine, sweet dream machine
Hey, sweet dream machine
A part of me so much

Sweet dream machine
Yeah-eah

Sweet dream machine, Whoo!
Ahh

You're into me, I'm into you
Whoo! Sweet dream machine
