

## The Composer

## The Supremes

You may not know how  
To make words rhyme  
Carry a tune or a clap on time now  
You may have no knowledge of musical things  
But deep down inside of me  
You have created a melody  
You're the composer of the song  
That my heart sings  
You may not what  
Quarter notes are  
Or what I mean by Four to the Bar now  
Such musical terms may be Greek to your ears  
But deep down inside of me  
You have created a melody  
You're the composer of the song  
That my heart hears  
Now it's a tender song  
It's like a rhapsody, a symphony  
This song I find in this heart of mine  
And it's begging you  
Let nothing keep us apart  
Oh, my darling  
Cause you put a song in my heart  
Now this song that I find in my heart for you  
Every lyric and line  
I swear it's true  
The number one song on my personal chart  
Deep down inside of me  
You have created a melody  
You're the composer of the song  
That's in my heart  
Deep down inside of me  
You have created a symphony  
You're the composer  
You put a song in my heart  
You're the composer  
You put a song in my heart  
You're the composer  
You put a song in my heart...
