

The Shadow Of Your Smile

The Supremes

The shadow of your smile
When you are gone
Will colour all my dreams
And light the dawn

Look into my eyes, my love, and see
All the lovely things, you are, to me

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I

Now when I remember spring
All the joy that the love can bring
I will be remembering
The shadow of your smile

The shadow of your smile
When you are gone
Will colour all my dreams
And light the dawn

Now when I remember spring
All the joy that the love can bring
I will be remembering
The shadow of your smile
