

# Till The Boat Sails Away

The Supremes

I don't want to leave you this way  
I don't want to lead you this way  
Oh, I love you so, don't want to let you go  
You mean more to me than just my man  
Understand

So hold me back until the boat sails away  
Hold me, I really want to stay  
(really want to stay, really want to stay)

Yesterday's sweet wine  
Upon your lips still taste fine  
Memories of a love you and I made  
Just yesterday

So hold me back until the boat sails away  
Hold me, I really want to stay  
(really want to stay, really want to stay)

Oh, I love you so  
Don't want to let, let you go  
You mean more to me than life is send  
Above all ends

So hold me back until the boat sails away  
Hold me, I really want to stay  
(really want to stay)  
I really want to stay (really want to stay)  
Please, let me stay
