

# Touch

The Supremes

Darling, just relax  
You melt me like hot candle wax  
One touch and my whole body melts  
Yet you say, you say you can't express yourself

Ohhhhhhhh  
Just keep doin' what you're doin'  
Fancy words would only ruin it  
Touch, that very special touch  
If I satisfy you, ooh, baby  
How you satisfy me

(Oh, baby!)  
Don't worry, don't worry about cries  
These are tears of love in my eyes  
I feel this love flowin' through  
Like a river, boy, straight through me to you

Oh, your touch says more than words  
In any language ever heard (oh, baby)  
Touch, oh, honey (that very special touch)  
I need your touch  
Every brand new day (every day)  
I wake up wanting you the same way  
Hey hey hey!  
(Ooh!) (Oh, baby!)

(Touch)  
Your touch says more than words (oh!)  
In any language ever heard  
Keep on doin' what you're doin' (ooh!)  
Fancy words would only ruin it

Touch (ooh!), groove me with your touch, hey!  
Touch, you move me with your touch

(Touch, talk to me, talk to me, touch)  
Groove me, groove me, groove me, groove me,  
Groove me, groove me, groove me,  
Groove me with your touch  
Touch me, touch me, your touch express so much

(Somebody touch)  
Just keep doin' what you're doin'  
Fancy words would only ruin it  
(Touch me, touch me, touch)
