

# You Move Me

The Supremes

Your love to me is beautiful  
Oh-oh-oh, and don't you know  
You really move me  
You fill my life with so much joy  
Feel like a child with a brand new toy  
You move me  
You make my life so complete  
While other loves are slowly dying  
Your love for me keeps multiplying  
The love I give I don't regret  
'Cause you're not out-focused what you can get  
It start a fire with just one touch  
(Just a gentle touch)  
A gentle touch that I need so much  
You really move me (yes, you do)  
You take my frown  
And turn it upside down (yes, you do)  
Things are brighter  
My heart feels lighter  
You move me  
You're making my life complete, boy  
There'll never be anyone  
But you for me  
Never, never, never  
You got it all  
'Cause you move me (yes, you do)  
Went through my head, I hear all bells chime  
(yes, you do)  
You send chills up and down my spine  
You move me  
You make my life so complete (oo-oo-oo-oo-oo)  
Oh, you move me (yes, you do)  
You make me feel so doggone good  
(Yes, you do)  
You move me (yes, you do)  
Feeling just like a woman should  
(Yes, you do)  
You move me, you move me  
You move me, move me, move me  
You mo-o-ove me  
Oh, you move me, you move me  
You move me, move me, move me  
You mo-o-ove me, ohhh yeah  
You move me, you move me, move me  
You move me
