

Miss understanding

The Swan Bride

it's cold outside
but you don't seem to mind.
moving through the crowd.
silent inside. dead or alive.
stripped of the lies.
drowned in dirt & self-proclaimed art
of words. of sound.
everything is ending.
everything will end.
everything is ending
in gorgeous miss_understanding.

make love to her.
make love to her.

honey, too many words forgotten..
i know it hurts.
honey, i let you down.
honey, goodbye
