

Low Rising

The Swell Season

I wanna sit you down and talk
I wanna pull back the veils
And find out what it is I've done wrong
I wanna tear these curtains down
I want you to meet me somewhere
Tonight in this old tourist town
And we'll go

Low rising
'Cause we've gotta come up
We've gotta come up
Low rising
'Cause there's no further for us to fall
Low rising
'Cause I fear we've had enough
Low rising
Oh for the love of you

I wanna take you to the rock
I wanna jump right in
And see what that big ocean's got
I wanna turn this thing around
I wanna drink with you
All night till we both fall down
Till we go

Low rising
'Cause we've gotta come up
We've gotta come up
Low rising
'Cause there's no further for us to fall
Low rising
And I fear we've had enough
Low rising
Oh for the love of you

Low rising
'Cause we've gotta come up
We've gotta come up
Low rising
And I fear we've had enough
Low rising
'Cause there's no further for us to fall
Low Rising
Oh for the love of you

For the love of you

Low rising low rising

I wanna sit you down and talk

I wanna sit you down and talk about it now
