### The Sword

Forged by the Crow-Mage from shards of darkness  
Honed by the half-breed to vorpal sharpness

Behold! The bastard's blade

Bane of the demon lord  
Slayer of the spider priest  
Spiller of the silver blood

Fragments of bore infused with purest steel  
A warrior's hand and a wizard's mind to wield  
Killer of Lor avenging those accursed  
Gathering knowledge, quenching deadly thirst
