The Tea Party

When you've decided to hold on to all that you've lost When you've decided to hold on to all that you've lost All this is nothing if she comes and tears you apart All this is nothing if you hold the key to her heart

If you've decided to change what you thought was your way This new way will take you to her and to midsummer day All this is nothing if she comes and tears you apart All this is nothing if you hold the key to her heart

And I'm crying in the night And I'm waiting for her call Won't you help me girl tonight Cause I'm waiting for her call

And I'm crying in the night
And she's flowing from my mind
And the sky is turning black
And I'm running out of time

You'll shed a last tear if you miss what you thought was your w ay

This new way will take you to her and to midsummer day All this is nothing if she comes and tears you apart All this is nothing if you hold the key to my heart

All you are is in you
