

Ha Ha I'm Drowning

The Teardrop Explodes

Oh use your common sense
Don't take things for granted
You know it's not like that
It isn't how you said
You ask me if I love you
Well I don't think that's fair
You ask me if I love you
Well I don't think that's real
To criticize our love
The stupid things you said
you only try to hurt me
The stupid things you say
You hurt me deep inside
You ask me if I love you
Well I don't think that's fair
You ask me if I love you
Well I don't think that's real
To criticize our love
Well ask me once again
And ask me for the third time
Oh ask me how I feel
I say I'm drowning in your love
Ha Ha I'm drowning in your love
