

Homecoming

The Teenagers

last week i flew to san diego to see my antie
on day 1 i met her hot step daughter
shes a cheerleader, she is a virgin and she is really tan
as she stepped out of her massive car
i could only notice she was more than fuckable
i think she was coming back from the game or something
cause she was holding those silly pompoms
on day 2 i fucked her and it was wild
she is such a slut

i fucked my american cunt
i loved my english romance
i fucked my american cunt
i loved my english romance
it was dirty a dream came true
just like i like it shes got nice tits
it was perfect a dream came true
just like a song by blink182
