

Wheel of fortune

The Teenagers

What if we were still together
Would i be happier?
And if Shannon Doherty stayed in 90210
Maybe she wold have never met Alyssa Milano

Don't you wonder
Would it be better
Wheel of fortune
Don't believe it
You'll never know

What of hadn't been to San Diego
Would have scored a cheerleader?
And if Ben Affleck wasn't making movies
Would the world be better?
And if hand a unibrow
Would you like me that much?
(???)
But you will never know

Wheel of fortune
Don't you wonder
Would it be better
Wheel of fortune
There's no answer
Don't believe it
Wheel of fortune
Don't you wonder
Would it be better
Wheel of fortune
There's no answer
Don't believe it
Your'll never know

Would we be dancing the same
If Michael Jackson Hadn't made music?
Does the Internet make us smarter
Or does it just help us
And if had been popular at scholl
Where would I be now?
What ifs, whatever

Wheel of fortune
Don't you wonder
Would it be better
Wheel of fortune
There's no answer
Don't believe it
Wheel of fortune
Don't you wonder
Would it be better
Wheel of fortune
There's no answer
Don't believe it
Your'll never know
