

## G.i.t. On Broadway

### The Temptations

They say the neon lights are bright on Broadway  
They say there's always magic in the air  
But when you're walking down the street  
And you ain't had enough to eat  
The glitter rubs right off and you're nowhere (on Broadway)

They say the women treat you right on Broadway  
But looking at them just gives me the blues  
'Cause how you gonna make some time  
When all you got is one thin dime  
And one thin dime won't even shine your shoes (on Broadway)

They say that I won't last too long on Broadway  
I'll catch a Greyhound bus for home, they all say  
But They're dead wrong, I know they are  
'Cause I can play this here guitar  
And I won't quit till I'm a star on Broadway (on Broadway)
