

Hey Girl (I Like Your Style)

The Temptations

Hey girl, I want you to know
I'm going to miss you so much if you go
And hey girl, I'll tell you no lie
Something deep inside of me is going to dye
If you say so long, if this is goodbye

Hey girl, this can't be true
How am I suppose to exist without you?
And hey girl, now don't put me on
What's gonna happen to me when you're gone?
How will I live, how can I go on?
How can I go on, hey girl?

Hey girl, now sit yourself down
I'm not ashamed to get down on the ground
And beg you, baby, beg you to stay
Don't go away

Hey girl, no, no, don't go away
Hey girl, little girl, don't go away
I'm beggin' you to stay
Little girl, don't go away
Hey girl, little girl, don't go away
