## Hey Girl (I Like Your Style)

## **The Temptations**

Hey girl, I want you to know I'm going to miss you so much if you go And hey girl, I'll tell you no lie Something deep inside of me is going to dye If you say so long, if this is goodbye

Hey girl, this can't be true How am I suppose to exist without you? And hey girl, now don't put me on What's gonna happen to me when you're gone? How will I live, how can I go on? How can I go on, hey girl?

Hey girl, now sit yourself down I'm not ashame to get down on the ground And beg you, baby, beg you to stay Don't go away

Hey girl, no, no, don't go away Hey girl, little girl, don't go away I'm beggin' you to stay Little girl, don't go away Hey girl, little girl, don't go away
