

My Baby

The Temptations

Whose hair styles are out of this world
Whether it's straight or be fond of it's curls
My baby, my baby, my baby
My baby, baby pretty baby

Hair soft like a baby lamb
And I love to run my fingers through it
I hope she digs me the way I am
But if I have to change, you know
I'm gonna do it for my baby

Personality contains more gold
There is no bank in this world could hold
My baby, my baby, my baby
My baby, baby, pretty baby

Enough gold in her personality
To set Ft. Knox to shame
This golden girl belongs to me
Yet no guy try to stake his claim
On my baby

My baby, she's cute as can be
My baby, this girl's got a hold on me
My baby, has a kiss so sweet
She knocks me off my feet
She makes my life complete

Oh yeah, she's my baby
Oh yeah, she's my baby
And I love her so
Yeah, I love my baby so

My baby, she's cute as can be
My baby, this girl's got a hold on me
My baby, has a kiss so sweet
She knocks me off my feet
She makes my life complete

Who has my mind in a kind of haze
Who has me walkin' around in a daze
My baby, my baby, my baby
My baby, baby, pretty baby

She gives me a feelin' I can't explain
She sets my soul on fire
But I don't feel hurt and I don't feel pain
All I feel is strong desire for my baby

Oh yeah my baby, that personality to satisfy me
Woo baby that's my baby
My baby, my baby
My pretty babe, my baby
