

# Oh Mother Of Mine

## The Temptations

Oh, mother  
Oh mother of mine  
I've, I've been blind  
The things that you tell me, yeah  
I paid, I really paid it no mind

Oh please, oh please forgive me  
Yes, I know I was wrong  
But now, now I know, yeah  
My place, my place is at home

Can't you see I've been crying now  
Almost dying  
I need your advice mama, yeah

Oh, mama  
Oh, mama  
Oh, mama  
Come and tell me now

How much about love, you don't understand?  
Yes, you know that you were wrong  
Or when you thought that you were wrong  
Yes, it was that young girl  
She put you in such a whirl

Yeah, I said, "Mama, don't you worry now, yeah"  
I guess I had it coming anyhow, yes I did  
I'm gonna do everything you say  
Hmm, each and every day

I'm gonna be a man, yes, I am  
Now that I understand  
Hmm, I'm not gonna be no fool no more  
Yeah because you told me so

Whoa mama  
Oh, mother  
Oh, mother  
Come on and tell me now

Oh tell me now  
Hmm, I'm sorry  
Yes I am, I am really sorry  
Oh, I should have think of you, yeah  
Yes, I should have because you know what to say
