

# Superstar (Remember How You Got Where You Are)

The Temptations

Doo doo doot doot doot  
Higher, higher  
Doo doo doot  
Doo doo doot doot doot  
La la oo hoo

Don't change your style now  
That you've reached the top  
Don't choose your friends  
By what they've got  
Remember beneath the glitter and gleam  
Like everyday people  
You're just a human being

Superstar, good god  
Enjoy your champagne and caviar  
And your chauffeur drivin' fancy car  
But remember how you got where you are

Oh, ho ho cause the same folks that made you  
Um hum you better believe they can break you  
La la loo

No, you didn't make it all by yourself  
You had help from somebody else  
The truth is the light  
Don't let it depress you  
You just be thankful  
That the good Lord made you

Superstar ah do you know  
Who your real friends are  
I'm talkin' to you  
Superstar remember how you got where you are

Ah ah down, down, down, down  
Drummer keep it going, going  
Horns start blowin'  
Right on time blow my mind  
Higher, higher, higher  
It's easy for you to look down  
Turn up your nose and frown  
Now that you're on top  
Don't let the bright lights blind you  
Don't burn 'em behind you

Superstar ah do you know  
Who your real friends are  
I'm talkin' to you  
Superstar remember how you got where you are  
Um hum, um hum

Don't change your style now  
That you've reached the top  
Don't choose your friends  
By what they've got  
Remember beneath the glitter and gleam

Like everyday people  
You're just a human being

Superstar, do you know  
Who your real friends are
