

## Then

## The Temptations

If Columbus never sailed the sea  
If Longfellow never wrote a rhyme  
If leaves have never grown upon a tree  
And if the sands have never told the time

Then I guess I don't love you  
Love you like I do  
Then I guess I'll have to  
find me someone new  
Then I guess this love I feel  
couldn't possibly be real

If Beethoven never wrote a song  
And if Shakespeare never wrote a play  
If a man has never done a wrong  
And if night has never followed day  
Then I guess I don't love you  
Love you like I do

Then I guess I'll have to  
find me someone new  
Then I guess this love for you  
couldn't possibly be true  
If high is low  
And up is down

And if love is not considered an emotion  
If yes is no  
And square is round  
And if waves had never rode across the ocean  
If Michaelangelo could never paint  
And if Jezebel was a saint

Then I guess I don't love you  
Love you like I do  
Then I guess I'll have to  
find me someone new  
Then I guess this love is wrong  
couldn't possibly be strong

Then I don't love you  
Love you like I do  
Then I guess I'll have to  
find me someone new  
Then I guess this love I feel...
