

Who's Lovin' You

The Temptations

When I had you here
I treated you bad bad bad
And wrong my dear
And since
Oh, since you went away
Don't you know I sit around
With my head hanging down
And I wonder who is loving you

I-I-I should have never, ever, ever made you cry
And since, little girl since you been gone
I want you to know
Don't you know I sit around
With my head hanging down
And I wonder who is loving you

Listen life without love
Is so lonely
I don't think that I
I want you to know that I
I don't think that I'm gonna make it
All of my life
All my love belongs to your love
I devote to you only
Come on home girl
Come on and take it

Because I, all I can do
All I can do baby since you've been gone is cry
And if you you you
Baby ever wonder in the world
Your pretty little head by what I do

Don't you know I sit around believe me baby
With my head hanging down
And I wonder, who is loving you
