

Bats Of A Feather

The Texas Drag Queen Massacre

Well you hear it all the time,
They say that love is blind,
Love is blind as a bat,
But weÃ¢??re two of a kind,
WeÃ¢??re doing just fine,
Drinking blood IÃ¢??m happy with that.

WeÃ¢??re just hanging around,
Hanging upside down,
Waiting for the dark to come,
Well we flock around the clock,
So keep every door locked,
WeÃ¢??re out looking for fun.

Spread our wings and fly away,
We live to suck for another day.

WeÃ¢??re like bats of a feather,
Whatever the weather,
Bats of a feather,
WeÃ¢??re like bats of a feather,
Forever and ever,
Bats of a feather,
Yeah Yeah.

Well fangs very much,
Is just not enough,
For someone as batty as you,
Well we fly by the night,
In the pale moonlight,
ThereÃ¢??s nothing better to do.

Spread our wings and fly away,
We live to suck for another day.

WeÃ¢??re like bats of a feather,
Whatever the weather,
Bats of a feather,
WeÃ¢??re like bats of a feather,
Forever and ever,
Bats of a feather,
Yeah Yeah.

Spread our wings and fly away,
We live to suck for another day.

WeÃ¢??re like bats of a feather,
Whatever the weather,
Bats of a feather,
WeÃ¢??re like bats of a feather,
Forever and ever,
Bats of a feather.
