

Possessed

The Texas Drag Queen Massacre

I'm all alone,
There's something in my head,
I'm tied to the bed,
The priest looks scared,
Does anyone care?
Does anyone care?
I'm on my own,
Got scars on my face,
I'm a fucking disgrace,
There's something in me,
My head's in a mess,
Am I possessed?

Am I possessed? Yeah Yeah!
Am I possessed?
Am I possessed? Yeah Yeah!

I'm on my own,
Does anyone care,
Even my mother's scared,
There's something in me,
Was it Captain Howdy?
Was it Captain Howdy?
I'm all alone,
What's wrong with this world,
I'm just a girl,
Got scars on my face,
My head's in a mess,
Am I possessed?

Am I possessed? Yeah Yeah!
Am I possessed?
Am I possessed? Yeah Yeah!
