

Yeah!

Well I'm a state,  
And I'm a fucking mess,  
Look like shit is what I do best,  
I don't care what they think of me,  
They think I'm dirt and I agree,  
I'm the ugliest fucker on planet earth,  
I scared my mum when she gave birth,  
The ugly tree is where I fell out,  
And hit every fucking branch on the way down.

You tell me I'm pretty,  
But you know that's just a lie,  
How could someone so beautiful,  
Love such an ugly guy.

Well I'm ugly and you know it's true,  
I'm ugly, not as pretty as you,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch,  
Well I'm ugly, not as pretty as you,  
I'm ugly, I don't know what to do,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch.

Well I'm revolting and hideous too,  
If you were me what would you do?  
Wait a sec let me think this through,  
Why the fuck would I listen to you,  
Repulsive and hard to look at,  
You call me deformed and that's a fact,  
Patron Saint of Ugliness,  
I am what I am, And I'm a mess.

You tell me I'm pretty,  
But you know that's just a lie,  
How could someone so beautiful,  
Love such an ugly guy.

Well I'm ugly and I know it's true,  
I'm ugly, not as pretty as you,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch,  
Well I'm ugly, not as pretty as you,  
I'm ugly, not as pretty as you,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch.

U-G-L-Y I ain't got no alibi,  
U-G-L-Y I ain't got no alibi.

I'm ugly and you know it's true,

I'm ugly, not as pretty as you,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch,  
Well I'm ugly, you know it's true,  
I'm ugly, not as pretty as you,  
I'm ugly and I don't give a fuck,  
When they gave out looks,  
I was out to lunch.
