

## Dolphins

The The

Some times I think about  
Saturday's child  
And all about the times  
When we were running wild

I've been a searching for the dolphins  
In the sea  
Oh, but sometimes I wonder  
Do you ever think of me?

This old world will never change  
The way it's been  
And all our ways of war  
Can't change it back again

I've been a searching for the dolphins  
In the sea  
Oh, but sometimes I wonder  
Do you ever think of me?

Lord, I'm not the one to tell  
This old world how to get along  
I only know that peace will come  
When all I hate is gone

I've been a searching for the dolphins  
In the sea  
Oh, but sometimes I wonder  
Do you ever think of me?

This old world will never change  
This old world will never change  
This old world will never change
