

And In Return

The Three Degrees

And in return
I'll give to you
A love that's true

Tell me
Tell me if you care for me
Tell me when you're with me
Each moment's spent with ecstasy
And when your lips are pressed to mine
Make it feels steal this moment's gonna last
'Till the end of time

And in return, I'll give to you
A love that's true

Give me, baby
Give me, give me all the love you got
I know when it's cold or lukewarm
They may get hot
Oh, promise me that you'll always be right here by my side
Promise me you, I can always come by

And in return, I'll give to you
A love that's true

I know I love you
More than words can express
Darling, prove your love is true
So I can end this emptiness
Ohhh, ohh

And in return, I'll give to you
A love that's true, ooh-ooh
A love that's true, ooh, ooh, ooh
A love that's true
