Wait for the midnight hour
Till it's time to boogie
You got the disco fever
Get down to some moving, yeah
Check out the party line to feel it
Don't it feel good?
Somebody's gonna cut you
Where it's hard to handle, yeah

Put your hands in the air
Spread your legs and turn around
And keep on dancing, keep dancing, keep dancing
Move it up, move it down
Spin your body round and round
And keep on dancing, keep dancing, keep dancing

Put your hands in the air
Spread your legs and turn around

And keep on dancing, keep dancing, keep dancing
Touch them here, hold them there
Touch your baby everywhere
Then keep on dancing, keep dancing, keep dancing

Stand by body check
Stand by body check

Stand by body check
Keep dancing, keep dancing
Stand by body check
Keep dancing, keep dancing
Stand by body check
Keep dancing, keep dancing
Stand by body check
Keep dancing, keep dancing

Stand by body check
Keep dancing, keep dancing
Stand by body check
