

## Ebb Tide

### The Three Degrees

First the tide rushes in, plants a kiss on the shore  
Then rolls out to sea and the sea is very still once more  
So I rush to your side like the oncoming tide  
With one burning thought, will your arms open wide?  
At last face to face, and as we kiss through an embrace  
I can tell, I can feel you are love, you are real  
Really mine in the rain, in the dark, in the sun  
It's just like the tide at it's ebb  
I'm at peace in the web of your arms
