

## Gee Baby (i'm Sorry)

The Three Degrees

(Richard Barrett)

Gee, baby, I'm sorry  
But this is goodbye  
Sure hate to leave you  
Mm, mm, mm, mm  
'Cause you're a nice guy

Gee, baby, I'm sorry  
But I found someone new  
I know that you're good for me  
But I'm no good for you

Don't want to hurt you  
I feel so ashamed  
No words can tell you  
How can I explain

Gee, baby, I tried  
Lord knows I tried  
Although you're sweet,  
You're not the guy

Gee, baby, I'm sorry  
Please try to forget me  
Gee, baby, I'm sorry  
Gee, baby, I'm sorry...
