

Gee Baby (i'm Sorry)

The Three Degrees

(Richard Barrett)

Gee, baby, I'm sorry
But this is goodbye
Sure hate to leave you
Mm, mm, mm, mm
'Cause you're a nice guy

Gee, baby, I'm sorry
But I found someone new
I know that you're good for me
But I'm no good for you

Don't want to hurt you
I feel so ashamed
No words can tell you
How can I explain

Gee, baby, I tried
Lord knows I tried
Although you're sweet,
You're not the guy

Gee, baby, I'm sorry
Please try to forget me
Gee, baby, I'm sorry
Gee, baby, I'm sorry...
