

I Wanna Be Your Baby

The Three Degrees

Don't you know that I, I wanna be your baby?
Oh yes I do, yes I do
Don't you know that I, I wanna be your baby?
Oh all the time, all the time
I wanna make you mine
Ohh, oh, oh

I'm begging you
To make me your baby
Oh, hear my plea your love for me
Oh, can't you see
I love you desperately

But you act like you don't, even though that I love you
Boy, you don't know the changes you're putting me through
I don't care, I don't care if you want to act this way
Because every time I see you, baby
This is what I'll say

I wanna be your baby (I said, I wanna be your baby)
I wanna be your baby (Oh, I wanna be your baby)
I wanna be your baby (Ohh...)
Yeah

Oh, oh yeah
I wanna be your baby (Said I wanna be your baby)
I wanna be your baby
