Look In My Eyes

The Three Degrees

Look in my eyes And tell me you love me Tell me you love love me Or darling I'll be gone Gone gone gone Look in my eyes And tell me that you're The one for me And that our love Will always be Or darling I'll be gone Gone gone gone You still got time So make up your mind What's it to be? Do you want me? I don't need much Only your touch Come and love me please Or darling set me free Look in my eyes And tell me you love me Tell me you love me Or darling I'll be gone Gone gone gone 000000 000000...
