

## The Golden Lady

## The Three Degrees

Shimmering, Glimmering, Glistening on the wind  
That's the Golden Lady.

Time after time I knew I needed you  
Out of a dream you appeared right in view  
You reached out for me..... so desperately

Now that I find that your one of a kind  
I've got you on my mind all the time  
You make it seem like I live in a dream  
But reality tells me that your the Golden Lady

Soft whispered words in the dark of the night  
Start to excite and ignite with such delight  
You melt into me.....we love so free naturally

Now that I find that your one of a kind  
I've got you on my mind all the time  
You make it seem like I live in a dream  
But reality tells me that your the Golden Lady

Ooh Golden Lady  
Ooh Woo Woo Golden Lady  
Ooh Golden Lady  
Ooh Woo Woo Golden Lady Golden Lady

Now that I find that your one of a kind  
I've got you on my mind all the time  
You make it seem like I live in a dream  
And reality seems so unreal

Now that I find that your one of a kind  
I've got you on my mind all the time  
You make it seem like I live in a dream  
And reality seems so unreal

Now that I find that your one of a kind  
I've got you on my mind all the time  
You make it seem like I live in a dream  
And reality seems so unreal
