Yes
this is the year
To make your decision.
Yes
this is the year
To open up your mind.

If you've been holding back kind of slack

Now's the time to get the things you need. There ain't no reason why you should be shy

People have died to set you free. Oh we need ev'ry one to succeed

Ev'rybody to succeed ev'rybody. Soul isn't enough hey come on and join us

Please (come on come on and join us please:

Yes this is the year

If you're strong out on a Jones
Better make sure that you leave the bad stuff
What ever you wanna do think it over good
Cause the change is up to you.

Oh we need ev'ry one to succeed . . .
