

You're The Fool

The Three Degrees

You're the fool
For thinking everybody's a fool for you, ha!
You're the fool
For thinking everybody's a fool for you

Now take a look at yourself
And tell me who do you think you are
(Just who do you think you are)
You're longing from here to there
You're breaking heart right after heart

But didn't you know (didn't you know)
That it's all coming back to you
Well, didn't you know (didn't you know)
Ohhh, that you're gonna have some heartbreak, too

'Cause you're the fool
For thinking everybody's a fool for you
You're the fool
For thinking everybody's a fool for you

Now I know you've been thinking
That you're out of sight (mm-hmm)
Well, it won't be long now, baby
For more, it will be right

But you're gonna lose (you're gonna lose)
Yeah, baby, you're gonna lose out
And you'll be the one (you'll be the one)
Ohhh, the one nobody's talking about

'Cause you're the fool
For thinking everybody's a fool for you
You're the fool
For thinking everybody's a fool for you, ha!
Ha!

De-de-de, ha--
De-de-de, ha--
De-de-de, ha--
De-de-de, ha--

Now don't it make you feel good
To know you got a lot of hearts on a string?
But when it gets down to it, baby
It really doesn't mean of a thing

'Cause what you got (what you got)
Well, it won't be yours for long
And you'll find out (find out)
That what you doing is got to be wrong, yeah--

'Cause you're the fool
For thinking everybody's a fool for you, ah-ha!
You're the fool
For thinking everybody's a fool for you, ah-ha!
You're the fool

For thinking everybody's a fool for you, ah-ha!
You're the fool
For thinking everybody's a fool for you, ah-ha!
You're the fool
For thinking everybody's a fool for you, ah-ha!
