Yours

The Three Degrees

Darling, I know you had to go away And I'm going to miss you oh so much But you don't have to worry about me Because I'll always be...

Yours till the stars lose their glory Yours till the birds fail to sing And I'm yours to the end of life's story This pledge to you I'll bring (Ah, ah, ah)

I'm... yours in the cold grey of December
If you're here, or far distant shores
I've never, never, never loved anyone the way I love you
Ooh, how could I, when I was born
To be only (yours, yours, yours) yours
