

Hollywood Kids

The Thrills

Well they're sure keen on dancin'
Those Hollywood kids
Those Hollywood kids got it made
When they act, big doors open
Those Hollywood kids
Those Hollywood kids got it made
So let's party, Dustin Hoffman
Those Hollywood kids
Those Hollywood kids got it made
Oh how the sun sets on my Boulevard
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard
But leaves such a shadow to fill

Oh the death of a fast life

Those Hollywood stars
Those Hollywood stars got to pay
That's some will you've been drinkin'
Those Hollywood stars
Those Hollywood stars got to pay

Oh how the sun sets on my Boulevard
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard
But leaves such a shadow to fill

So look closer, do you still think that
Those Hollywood kids
Those Hollywood kids got it made
