

## Hollywood Kids

### The Thrills

Well they're sure keen on dancin'  
Those Hollywood kids  
Those Hollywood kids got it made  
When they act, big doors open  
Those Hollywood kids  
Those Hollywood kids got it made  
So let's party, Dustin Hoffman  
Those Hollywood kids  
Those Hollywood kids got it made  
Oh how the sun sets on my Boulevard  
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard  
But leaves such a shadow to fill

Oh the death of a fast life

Those Hollywood stars  
Those Hollywood stars got to pay  
That's some will you've been drinkin'  
Those Hollywood stars  
Those Hollywood stars got to pay

Oh how the sun sets on my Boulevard  
But leaves quite a shadow to fill

Oh how the sun sets on my Boulevard  
But leaves such a shadow to fill

So look closer, do you still think that  
Those Hollywood kids  
Those Hollywood kids got it made
