

## Say It Ain't So

The Thrills

This old world won't take me home  
I said sure for the hell she goes  
Well I don't know man  
Well I don't know man  
(I sure know I'm here)  
Oh, say it ain't so  
Oh, say it ain't so  
Because I sure love you so

Memories dig in my heels  
I don't care girl  
I'll be there girl

So does this mean your truly gone?  
Well I don't know man  
Well I don't know man  
(I sure know I'm here)

Oh, say it ain't so  
Oh, say it ain't so  
Because I sure love you so

Oh, say it ain't so  
Oh, say it ain't so  
Because I sure love you so
