

Your Love Is Like Las Vegas

The Thrills

Don't you know
You can't re-write
Your own history
Cigarette barbie

Your love is like a city I've visited
Your love is like a city that burnt me good
Las Vegas I could only afford one weekend

Don't you know you're like Pete Best
Bitter after all these years
Just let it go

Your love is like a city I've visited
Your love is like a city that burnt me good
Las Vegas I could only afford one weekend
