The Tiger Lillies

Are you angry in the morning? Are you angry in the night?  
Are you always ready with violence to fight?  
Well that anger is an illness that will take you away  
It's a never-ending tragedy and it runs from day to day.

If you're angry. Are you angry?

You shove me I'll hit you won't let you get away  
You cut your car in front of mine I'll make you rue the day  
You're different from me so you I'll have to hit  
If there's something you don't understand it's safest to kill i  
t

You're angry. Are you angry?

Well I heard you're a black jewish homosexual queer  
I'm afraid I must exterminate you fill me full of fear  
It's bad for my blood pressure it puts me under strain  
One day I'll die there'll be so much pain

You're angry. Oh you're so angry ...
